

DuPont™ X-Large White IsoClean® 5 mil Tyvek® Disposable Non Sterile Lab Coat With Snap Front Closure, Lay down Collar and Raglan Sleeves (30 Per Cast)

\$148.50/case

DuPont™ Tyvek® IsoClean® Series 224 Labcoats have a lay down collar, raglan sleeves, 5 snap front closure, a left chest pencil pocket and 2 lower front pockets.

DuPont™ Tyvek® IsoClean® is made from DuPont™ Tyvek® brand flash-spun polyolefin protective material. Unique, patented flash-spinning process creates an excellent barrier to dry particles, microorganisms and non-hazardous liquids. Comfortable, lightweight and durable. Clean-processed garments offer lower level of particle shedding within DuPont product portfolio.
